ASSISTANT SECRETARY TO GOVERNMENT EDUCATION AND PUBLIC HEALTH DEPARTMENTS 18 NOV 1949

Sir,

Sub:- Tenders - Waiving of - sanction requested -

90092

The undermentioned articles viz nine dozen buckets five dozen mammuties and one dozen mammuties were purchased from Messrs M.A. Krishna Naik & Sons at a cost of Rs.733-12-3 and the amount was paid in Voucher No. 2774/48-49. As the total cost has exceeded Rs.500/- the maximum limit above which tenders ought to have been called for the payment has been objected to in audit. It may be pointed out here that although tenders as such were not called for, the supply of the above tools and plants, quotations had been called for from five different firms for the above articles. The lowest quotations have been accepted. As the articles were urgently required for the use of the Public Health menials and as the invitation of tenders, acceptance of the lowest tender and placing of order for the above articles would involve correspondence and consequent delay, the lowest quotations were accepted and supply ordered.

I therefore request that the Government may be pleased to condone the irregularity, as a special case.
